

Shed News

Dear "Shed" Member,

As you may have heard the NTCMS is now back in business in our new premises at 38 McLean St, Fitzroy. We look forward to seeing you all there at our well equipped workshop on a regular basis. These excellent facilities are currently underutilised and we are keen to see the "Shed" reach its potential. Even if you do not currently have any projects underway please feel free to drop in for a 'cuppa' and a chinwag and you may well get some inspiration!

However, like all community groups we cannot survive without member subscriptions and to that end an invoice for 2016/17 subs is attached. You may have noted that we have not asked you for any subscription while the group was in recess and the need to receive some cash flow has now become quite compelling.

We are sending this message and invoice to our wider mailing list and some of you may no longer wish to be associated with the "Shed" for various reasons such as advancing years or alternative interests. However even if you are non-active you may feel the concept is worthy of support by contributing our very modest subscription which is free of any other obligations. If you would prefer to be removed from our mailing list please let us know.

Payment can be made in a number of ways:

1. Direct debit (preferred) - our bank account is TSB 153943 0009709 00 North Taranaki Community Men's Shed Charitable Trust. Please make it clear who it is from and what it is for.
2. Post a cheque or cash to Ian Burgess, 24 Riversdale Dr, Merrilands NP 4312. Cheques made out to North Taranaki Community Men's Shed (NTCMS) along with the tear-off strip on the invoice.
3. Simply place in the lock-up box in the "Shed" also together with the tear-off strip.

Please also consider adding a donation to help cover the past year in which we had no income - particularly if you made use of the shed and used consumables during the period.

Thank you for your past and anticipated support.

See you at the "Shed"

Ian Burgess
